

## ANTONETTE MESSINA

Antonette has an artistic approach to hairstyling whether she's behind the chair or on stage; her eye for Fashion and Art gives a unique approach to hairstyling. With her educational background and International Training her abilities are endless. Her talents and vibrant personality have presented her with many opportunities. As a result, she was given the chance to showcase her work throughout the country at events such as "Scottsdale Museum of Contemporary Art Nights", "Surreal Reds" and "Hair Wars" just to name a few. Antonette's passion and dedication has led her to educating tomorrow's leaders in the beauty industry and is currently performing as a Guest Artist for Alfaparf Milano, and is considered a leader in advanced color as well as all aspects of the Beauty Industry.
